ACUTE

0000-0000-0000-0000

CONCLUSIONS The results of this study indicate that the use of a single, low-dose, intravenous bolus of propofol for the induction of general anesthesia in patients with a history of alcohol abuse is safe and effective. The use of propofol for the induction of general anesthesia in these patients is associated with a low incidence of hypotension and respiratory depression. The use of propofol for the induction of general anesthesia in these patients is associated with a low incidence of hypotension and respiratory depression.

REMARKS

SEE CERTAIN INDEX
 DEPARTMENT OF COMMERCE
 BUREAU OF THE CENSUS

A-3

U. S. GOVERNMENT PRINTING OFFICE 19-21290

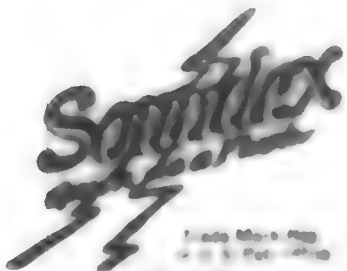

1900-1901

1. The first part of the report is devoted to a general description of the country and its resources. It includes a detailed account of the climate, the soil, and the vegetation. The second part of the report is devoted to a description of the people and their customs. It includes a detailed account of the language, the religion, and the social organization. The third part of the report is devoted to a description of the government and its institutions. It includes a detailed account of the constitution, the executive, the legislative, and the judicial branches. The fourth part of the report is devoted to a description of the economy and its development. It includes a detailed account of the agriculture, the commerce, and the industry. The fifth part of the report is devoted to a description of the education and its progress. It includes a detailed account of the primary, secondary, and higher education. The sixth part of the report is devoted to a description of the health and its improvement. It includes a detailed account of the public health, the medical services, and the hygiene. The seventh part of the report is devoted to a description of the culture and its advancement. It includes a detailed account of the literature, the arts, and the sciences. The eighth part of the report is devoted to a description of the future and its prospects. It includes a detailed account of the political, economic, and social changes that are expected to take place in the near future.

2. The second part of the report is devoted to a description of the people and their customs. It includes a detailed account of the language, the religion, and the social organization. The third part of the report is devoted to a description of the government and its institutions. It includes a detailed account of the constitution, the executive, the legislative, and the judicial branches. The fourth part of the report is devoted to a description of the economy and its development. It includes a detailed account of the agriculture, the commerce, and the industry. The fifth part of the report is devoted to a description of the education and its progress. It includes a detailed account of the primary, secondary, and higher education. The sixth part of the report is devoted to a description of the health and its improvement. It includes a detailed account of the public health, the medical services, and the hygiene. The seventh part of the report is devoted to a description of the culture and its advancement. It includes a detailed account of the literature, the arts, and the sciences. The eighth part of the report is devoted to a description of the future and its prospects. It includes a detailed account of the political, economic, and social changes that are expected to take place in the near future.

3. The third part of the report is devoted to a description of the government and its institutions. It includes a detailed account of the constitution, the executive, the legislative, and the judicial branches. The fourth part of the report is devoted to a description of the economy and its development. It includes a detailed account of the agriculture, the commerce, and the industry. The fifth part of the report is devoted to a description of the education and its progress. It includes a detailed account of the primary, secondary, and higher education.
